Media Release

Received two new orders to supply telecom towers – total of 400 towers to be supplied

Order size of Rs.49 crore - to be executed by end of H1 FY19

23rd April 2018, New Delhi, India: Salasar Techno Engineering Limited (BSE: 540642. NSE: SALASAR), among leading manufacturers of Telecom Towers in India, has received new order of Rs. 49 crore, from leading telecom players in India and Nepal.

Details of the order –

- One order of Rs 35 crore - supply 300 telecom towers to Reliance JIO
- Export order of 100 telecom towers worth Rs. 14 crore to Nepal

Commenting on this new order Mr. Shashank Agarwal, Joint Managing Director, said *“This new and repeat order from Reliance JIO shows the continued trust our clients have in us. We have also received an export order to supply towers as we try to create and increase our presence in the export markets. We have been recognised as one of the major telecom tower solution providers in India and this order further consolidates our position in the telecom space. We have always focused on project execution and increasing our operational efficiencies which have been key to our success.”*

About Salasar Techno Engineering Limited:
